

## Job Description

With over 50 years of experience in the industry, Buck Construction is one of the leaders in masonry and general construction. We are looking to hire a skilled carpenter/general laborer with knowledge of various carpentry techniques. You will be responsible for layout, installation, repairing, finishing, and maintaining various structures, fixtures, and buildings. Other duties will include designing, cutting, and measuring materials according to a client's requirements.

A successful applicant should be hardworking, reliable, and have good communication and organizational skills. We will train the right candidate.

### Responsibilities:

- Installs foundations, walls, floors, ceilings, and roofs using materials such as: wood, steel, metal, concrete, plastics, and composites of multiple materials.
- Fits and installs window frames, doors, door frames, door hardware, interior and exterior trim using a carpenter's level, plumb bob, and laser levels.
- Shapes or cuts materials to specified measurements, using hand tools, machines, or power saws.
- Follows established safety rules and regulations and maintaining a safe and clean environment.
- Assembles and fastens materials to make frameworks or props, using hand tools and wood screws, nails, dowel pins, or glue.
- Removes damaged or defective parts or sections of structures and repair or replace, using hand tools.
- Moves necessary materials around jobsite as assigned.
- Cleans up worksite debris.
